

What is this document for?

Complete this form to establish a Higher Degree Research scholarship opportunity. By completing this form the opportunity can be administered by the GRS and advertised on JCU centralised Scholarships database. This enables JCU to store all HDR scholarship and award opportunities in one place.

This document will help you hone a HDR award opportunity by outlining the selection process and identifying ways to advertise the opportunity.

The GRS website also has information on how to establish a scholarship with an industry partner.

Who is this document for:

an RTP stipend or instead of an RTP stipend. Types of non-RTP awards

nts for research expenses (min \$5,000);

nd Scholarship (min \$33,500 per annum tax free (2023) for 3.5 years);

arship paid directly to a student holding an RTP Stipend to assist with

ng expenses (min \$5,000);

- Project expenses (paid directly to student) to support costs associated with the research

Externally funded scholarships

Each year a number of funding opportunities are made available to research students by organisations outside of JCU. These are not administered by JCU but externally by the various funding agencies.

Administration of Non-RTP awards

By submitting this form you agree that the award listed below will be administered by the Graduate Research School (GRS), on behalf of the Selection Committee. Any funds received by JCU will be held in an account in the name of the University and will be
